C-18-01

# COOPERATION AGREEMENT

March, 2001

Whereas the intersection of **BIG RUN SOUTH ROAD AND HOLT ROAD** has utility to the general public of Franklin County, the City of Grove City, and Jackson Township, as well as to the students, parents, teachers, and staff of the South-Western City School District, and whereas the public interest demands the addition of turn lanes and traffic signals; now therefore, Franklin County through the County Engineer, Grove City through its City Administrator, Jackson Township through its Township Administrator, and the South-Western City School District through its Quality Assurance Manager do mutually agree to cooperate in the planning, design and construction and to share the cost and expense of the improvements as follows:

## PROJECT LIMITS:

1500 feet west, 1600 feet south, 2600 feet north, 2800 feet east of the intersection

## FRANKLIN COUNTY WILL:

- 1) retain and compensate Kleingers & Associates for the preparation of construction and right of way plans
- 2) facilitate public involvement
- 3) acquire necessary additional right of way from parcels owned by other than the South-Western City School District
- 4) coordinate any necessary utility relocations and/or adjustments
- 5) prepare bid documents, advertise, receive bids, award, and administer the 2001-2002 prevailing wage construction contract for completion before September 2002
- 6) provide construction inspection for all work
- 7) operate and maintain the completed improvements until portions annexed into either the City of Grove City or the City of Columbus

## **CITY OF GROVE CITY WILL:**

- 1) compensate Franklin County for 100% of the design and construction costs of those features (sidewalks, leisure/bike paths, mast arms for traffic signals, and street lights) requested by the City of Grove City which are not necessary for the improvement as determined by Franklin County (\$200,000 maximum total City of Grove City cost for these design and construction costs)
- 2) reimburse Franklin County for 100% of the design and construction costs associated with a roadway having a curb & gutter drainage system which are above and beyond the original scope of the project as determined by Franklin County (\$1,000,000 maximum total City of Grove City cost for this design and construction modification)
- 3) compensate Franklin County for 100% of the design and construction costs of those features (landscaping, fencing, etc.) requested by the City of Grove City which are not necessary for the improvement as determined by Franklin County

## **JACKSON TOWNSHIP WILL:**

- 1) compensate Franklin County for 100% of the design and construction costs of those features (sidewalks, street lights, landscaping, fencing, etc.) requested by Jackson Township which are not necessary for the improvement as determined by Franklin County

## **THE SOUTH-WESTERN CITY SCHOOL DISTRICT WILL:**

- 1) dedicate necessary additional right of way from their property
- 2) compensate Franklin County 50% of Kleingers & Associates fee for the preparation of construction and right of way plans along Holt Road and along Big Run South Road west of, and including the intersection of and turn lanes for, Tupelo Street (not including the design costs associated with the redesign of the roadway improvement to incorporate a curb and gutter drainage system)
- 3) compensate Franklin County for 50% of the construction costs along Holt Road and along Big Run South Road west of, and including the intersection of and turn lanes for, Tupelo Street (not including the construction costs associated with the redesign of the roadway improvement to incorporate a curb and gutter drainage system)
- 4) compensate Franklin County for 100% of the design and construction costs of those features (sidewalks, street lights, landscaping, etc.) requested by South-Western City Schools which are not necessary for the improvement as determined by Franklin County
