RENEWAL AND EXTENSION
EXHIBIT "A"
(Cities)**

WHEREAS, the agreement, made and concluded at Franklin County, Ohio, this _____ day of _____, 1999, by and between the Board of County Commissioners of Franklin County, Ohio, being duly authorized in the premises by the provisions of a resolution adopted on _____, hereinafter referred to as "Board" and the city of _____ (Name), its _____ (Chief Executive Officer), or _____ being duly authorized in the premises by the provisions of resolution/ordinance no. _____ dated _____, 1999 hereinafter referred to as "City":

NOW THEREFORE, it is hereby agreed by and between the parties hereto, upon the considerations herein set forth as follows:

1. Board and the City will cooperate in the undertaking or assist in the undertaking of essential community renewal and lower income housing assistance activities, specifically urban renewal and publicly assisted housing, and that the City agrees that it is in the best interest of carrying out the objectives of the Act within Franklin County that the city/village and the County should join together in both the CDBG and HOME Investment Partnership Programs, and other essential activities during the next three program years of the Franklin County Housing and Community Development. The parties further agree not to obstruct or restrict the implementation of the approved Consolidated Plan during the course of this agreement.
All of these aforementioned activities shall be carried out in accordance with the Community Development Block Grant (CDBG) Program Rules and Regulations and the applicable provisions of the Ohio Revised Code, including but not limited to the Housing and Community Development Act of 1974 (Public Law 93-383, 42 U.S.C. 5301) as amended, and Section 570.105 b 3 (iii), Community Development Block Grant Rules and Regulations.
2. County-wide community development plan and projects, program budget and the housing conditions, needs and goals established in the Consolidated Plan and amendments thereto, shall be binding on said Board and the City for the Twenty-Sixth, Twenty-Seventh, and Twenty-Eighth program years, which end March 31, 2003 and for such additional time as may be required for the expenditure of funds and completion of funded activities granted to the county and any program income received for such period.
3. The Agreement gives the Board authority to carry out activities funded from annual Community Development Block Grants from Federal Fiscal Years 2000, 2001 and 2002 appropriations, and from any program income generated from the expenditure of such funds. The City must inform the Board of any program income generated by spending CDBG funds. Said program income must be paid to the county. If any program income is authorized to be retained by the City, it may only be used for eligible activities in accordance with all CDBG requirements.

That in the event of close-out or change in status of the participating unit, any program income that is on hand or received subsequent to the close-out or change in status shall be paid to the county.

During the period of qualification no included unit of general local government may withdraw from the urban county unless the urban county does not receive a grant for any year during such period.

4. Mid-Ohio Regional Planning Commission (MORPC) is authorized to act for the Board and accepted by the City as agent of the Board in planning, administering, and overall coordinating the programs, which are the subject of this agreement.
5. Franklin County Housing and Community Development Program carried out by the Board reflects the needs of the entire county.
6. The following standards shall apply to real property acquired or improved in whole or in part using CDBG funds that is within the control of a participating unit of local government:

The City will notify the Board as soon as it knows of any modification or change in the use of the real property from that planned at the time of acquisition or improvement including disposition;

The City will be required to reimburse the Board in the full amount equal to the current fair market value (less any portion thereof attributable to expenditures of non-CDBG funds) of property acquired or improved with CDBG funds that is sold or transferred for a use which does not qualify under the CDBG regulations; and,

Treatment of program income generated from the disposition or transfer of property prior to or subsequent to the close-out, change of status or termination of the cooperation agreement between the Board and the participating unit, will be subject to the provisions of Section 3 of this same Agreement.

The policies/procedures of the Franklin County Housing and Community Development Program will apply to any projects involving acquisition, whereby MORPC will be notified during the planning and design process of any approved project, where applicable land acquisitions and other items are subject to the Uniform Relocation and Real Properties Acquisition Policies Act of 1970.

7. The City pursuant to 24 CFR 570.501 (b) is subject to the same requirements applicable to subrecipients, including the requirements of a written agreement set forth in 24 CFR 570.503.

Section 570.503, Code of Federal Regulations, requires that the Board and unit of local government execute a written agreement prior to the disbursement of any federal funds. Franklin County has prepared a Template Funding Agreement, which must be executed. This agreement includes certain administrative, legal and financial procedures, which define the responsibilities of the grantor and grantee. The Agreement shall remain in effect during any period that the subrecipient has control over CDBG funds, including program income.

At a minimum, this written Funding Agreement shall contain provisions as prescribed in the Code of Federal Regulations concerning: Statement of Work; Records and record keeping; Program Income; OMB Circulars; Other program requirements; except that the County is responsible for initiating the review process under Executive Order 12372; Suspension and Termination; and reversion of assets meeting the prescribed criteria; and disposing of assets in a manner comparable to that described in the aforementioned Code of Federal Regulations.

8. The City is included in Franklin County for the purpose of planning and implementing the Franklin County Housing and Community Development Program. The City shall not apply for separate grants under the Small Cities or State CDBG Programs from appropriations for fiscal years during the period in which it is participating in the urban county's CDBG program; and the City may not participate in a HOME consortium except through Franklin county, regardless of whether Franklin County receives a HOME formula allocation.
9. No Community Development Block Grant and HOME Investment Partnership Program funds provided by Franklin County under this Agreement may be used for activities in or in support of any cooperating unit of general local government that does not affirmatively further fair housing within its own jurisdiction, or that impedes Franklin County's actions to comply with its fair housing certification.
10. Cities and counties in Ohio have authority under Section 307.15 of the Ohio Revised Code to enter into agreements whereby a Board of County Commissioners undertakes, and is authorized by the contracting subdivision, to exercise any power, perform any function, or render any service, in behalf of the city/village, which such city/village may exercise, perform or render; and
11. The City and the County each have authority to carry out the kinds of activities which are the objectives of the Act pursuant to Section 303.26 of the Ohio Revised Code, et. seq.; and

NOW THEREFORE, the Board, in consideration of the promises and agreements of City herein set forth, hereby promises and agrees as follows:

2. That it will implement plans concerning community development and HOME activities prepared by the Board, however, the Board shall retain full responsibility and obligations for preparation and implementation of said plans.
3. That it will take all actions with the Board that are necessary to assure compliance with the urban county's certification required by Section 104 (b) of Title I of the Housing and Community Development Act of 1974, as amended, including Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 109 of Title I of the Housing and Community Development Act of 1974, as amended; the Americans with Disabilities Act of 1990; and other applicable laws.
