ORDINANCE NO. C-9-60 ✓

To provide for administrative procedures immediately for the approval of the placement of underground structures, and to declare an emergency.

WHEREAS, an emergency exists in the placement and location of underground structures in the City of Grove City, and

WHEREAS, it is necessary to provide for administrative procedures immediately for the approval of the placement of such underground structures; now, therefore

Be It Ordained by the Council of the City of Grove City that:

Section 1. All utilities prior to installation of any underground structure shall submit an application in writing stating the name of the utility, the type of the structure, and its desired placement to the Mayor for approval. Such application shall be accompanied by a detailed set of plans or drawings showing the type of structure and its exact location.

Section 2. No construction shall be accomplished until the Mayor approves such application in writing. Should such application not be acted upon within 30 days after it is submitted, the utility may appeal directly to Council for such approval.

Section 3. All plans and specifications accompanying such application shall become a permanent part of the City records. (and C-9-60)

Section 4. That for reasons stated in the preamble hereto this ordinance is declared to be an emergency and is to take effect at the earliest possible date by law.
