

Adopting plans;

Proposing to co-operate;

Requesting Director to proceed;

(Chapter 5521, Ohio Revised Code)

Mrs. Jennette Myers moved the adoption of the following Resolution:

WHEREAS, At a meeting of the legislative authority of Grove City Ohio, held in the office of said legislative authority on this 7th day of May, 1973, a quorum being present; the improvement of U. S. Route No. 62, under the provisions of Chapter 5521, Ohio Revised Code, came on for further consideration; said portion of highway as described in the legislation proposing cooperation with the Director of Transportation, enacted on the 3rd day of May, 1971 and the 2nd day of October, 1972, being described as follows:

The improvement of signals on various intersections on Broadway Street in the City of Grove City. Total length of work being approximately 0.502 mile

; and

WHEREAS, In said legislation proposing cooperation, said legislative authority proposed to cooperate with the Director of Transportation in the improvement of the above described highway, under the provisions of TOPICS, which provides for the expenditure of Federal Funds for an urban traffic operations program, by assuming the payment of and contributing an amount of money, which is to be applied toward the total cost of said improvement, which amount is determined by and equal to the following:

- (1) Five percent (5%) of the cost and expense of construction plans and construction of the improvement on State Routes.

The Director of Transportation notwithstanding the percentage basis of contribution may allocate the money contributed in whatever manner he may deem necessary in financing the cost of construction, rights-of-way, engineering and incidental expenses. The total amount of participation for the City of Grove City is now estimated to be Twenty One Thousand Eight Hundred Thirty One ----- 00/100 Dollars (\$21,831.00) but said amount is to be adjusted in order that the City's ultimate share of the cost of said improvement shall correspond with said percentages of actual cost when said actual costs are determined; and

The City further agrees to furnish the Preliminary Engineering and Right of Way

WHEREAS, The Director of Transportation has approved said application and has caused to be made plans and specifications and an estimate of cost and expense for improving the above described highway and has transmitted copies of same to this legislative authority; and

WHEREAS, This legislative authority desires the Director of Transportation to proceed with the aforesaid work:

Now, Therefore, Be It Resolved:

- I. That the section of highway above described be improved under the provisions of aforesaid law; that said work be done under the charge, care and superintendence of the Director of Transportation, and that said plans, specifications and estimates for this highway improvement as approved by the Director of Transportation are hereby approved and adopted by this legislative authority.
- II. That this legislative authority is still of the opinion the proposed work on the described highway should be constructed and that we should cooperate on the basis set forth in our proposal.
- III. That the estimated sum of Twenty One Thousand Eight Hundred Thirty One  
-----00/100 Dollars (\$21,831.00), is hereby appropriated for improving the highway described above, and the fiscal officer is hereby authorized and directed to issue his order on the treasurer for said sum upon the requisition of the Director of Transportation to pay the cost and expense of said improvement. We hereby agree to assume, in the first instance, the share of the cost and expense over and above the amount to be allocated from Federal Aid Topics Funds.
- IV. That the installation of all utility facilities on the right of way shall conform with the requirements of the Federal Highway Administration Policy and Procedure Memorandum 30-4 "Utility Relocations and Adjustments".
- V. That traffic control signals will not be installed on the project without prior approval by the State and the municipality does hereby agree to place and maintain all traffic control devices conforming to the Ohio Manual of Uniform Traffic Control Devices on the improvement in compliance with the provisions of Section 4511.11 and related sections of the Ohio Revised Code.
- VI. That the rights-of-way provided for said improvement shall be held inviolate for public highway purposes and no signs, posters, billboards, roadside stands or other private installations shall be permitted within the right-of-way limits.
- VII. That this legislative authority hereby requests the Director of Transportation to proceed with the aforesaid highway improvement.
- VIII. That this legislative authority of Grove City, Ohio, enter into a contract with the Director of Transportation providing for the payment by said legislative authority of the estimated sum of

Twenty One Thousand Eight Hundred Thirty One -----00/100

X. This Resolution is hereby declared to be an emergency measure by reason of the need for expediting construction of project(s) to promote highway safety, and provided it receives the affirmative vote of two-thirds of the members elected to the legislative authority, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

Thereupon, Mr. Jack Weygandt seconded the said motion, and upon the roll being called, the result of the vote was as follows:

Vote on suspension of the rule requiring an ordinance to be fully and distinctly read on three different days:

(Requires a yeas vote by three-fourths of all elected members)
